

SANCRA EAST BAY

“LET THE GIRLS PLAY”

SANCRA East Bay will be hosting a Youth Sports “Think Tank” in hopes to improve our multi-city youth volleyball league and introduce a new girls basketball league.

If your city is interested in collaborating or would like to see how it’s working, please join us on Friday, October 14, 2016 at San Pablo Community Center (2450 Road 20 in San Pablo).
